

## TRI-BUILT® SHINGLE STRIPPERS HEAVY DUTY & AMERICAN MADE

### 46" SHINGLE STRIPPER

Heavy duty steel tubing and teeth frame make any roofing job a breeze! Ergonomic design and D-grip make tearing off shingles as simple as a swift swipe.

### 24" MINI STRIPPER

The Mini Stripper has a smaller design to reach tight spots around dormers, overhangs, step flashing and ridge cap removal.

### BOTH STRIPPERS:

- High Quality
- Light Weight Steel Handle
- Comfortable Plastic D-grip
- 11ga High Strength Tempered Steel
- Robotic Welds for Strength & Durability
- Both Residential & Commercial Use
- Made in the USA
